

SIGN MINISTRY

1. If you would like help, please feel free to call upon Andy Ambrus & Sue Meisel-Harer to help out, especially the first time. Their phone numbers and e-mail addresses can be obtained by calling the church 693-7021.
2. Write down what is currently on the sign. You can do either or both sides, though we like to keep our worship times on one side. Write down the new message to be put on the sign. Have a second choice as sometimes there are not enough letters to do the first choice.
3. Letter tally. Match the letters of what is to be put up with the letters of what was on the sign. Letters that have no matches will need to be pulled from the file.
4. The ladder is outside along the fence to the playground. The letters are in the storage closet at the end of the south hall. The key to these closets is in the second drawer of the narthex desk.
5. Remove old message. Sort letters.
6. Gather up letters for new message.
7. Put up new message. Stand away from the sign and check for spelling, spacing, readability for passing motorists.
8. Put away old letters and the ladder.
9. Return key to narthex desk drawer.

Where to find things to put on the sign :

Pretty much anywhere - songs, devotionals, sermons meditations, conversations. Sometimes it is a good idea to check with the pastor for any messages they might like to convey on the sign that week. You need to keep in mind that there is limited space (3 lines) on the sign. There are also some good quotation sites on the internet:

Try to keep in mind that we are a progressive Christian congregation and that we try to reflect that in the sayings. Also we are committed to using inclusive language especially related to God, Christ and Spirit. If you have any questions about the sign saying you have selected you can always e-mail or call the pastor and get their input. There is also a file of appropriate sayings in the church office in the bookcase near the desk.

The sign is also used to advertise events held at the church – BBQ, Garage Sale, etc.

Lights -let someone on the property ministry know when the lights are burned out.
