

DRAFT SUMMARY
Church Council Report
December 16, 2019

by Jackie Womack, Congregational Representative, on behalf of
Anne Wehrly, Church Council Secretary

The 2019-20 Friends Church Council convened by Kelly Wellman, moderator, met December 16th.

Members of the Council:

- learned that the job search for a new administrative assistant continues. Hard-working and much-appreciated volunteers are working to cover the office during this time.
- heard from the Launch Team overseeing the transition to new worship times that things are coming together to promote *Same Friends, New Times* when the change of schedule takes place in the spring.
- heard from Pastor Trent about the possibility of beginning an endowment fund for the church and passed a motion to create an ad hoc committee to gather research and report back to church council.
- got a sneak peek at the newly formatted worship guide created by Trent that will be used by both services and include much of the music.
- approved funds for Pastor Dan's continuing education.
- approved funds for cost of the adult chaperones on the two youth trips to be covered by the church.
